Eastern Arizona College (Graham County Community College District) is accredited by The Higher Learning Commission and is a member of the North Central Association. The College is also a member of the Arizona Community College System.

Credit is given by means of a semester credit hour system which assigns each course a certain number of credit hours. A credit hour usually represents three hours of work each week; it may stand for an hour of classroom work and two hours of preparation, for three hours of laboratory work, or for some other combination as the particular course may demand. Except for specified courses, credit may be received only once for each course.

Prior to the second semester of the 1969-70 academic year, the following grading system was used:

1	Excellent
2	Good
3	Average
4	Lowest Passing
5	Failing
6	Incomplete
7	Withdrew Passing
8	Withdrew Failing

Starting with the second semester of the 1969-70 academic year:

1	Excellent
2	Good
3	Competent
4	Passing
6	Incomplete
7	Withdrew

Until the Fall Semester of 1970, numeric grades only were used to compute a straight grade average.

Effective with the Fall semester of 1970, the grading system was changed as indicated below:

GRADE	EXPLANATION	GRADE POINTS
A	Excellent	4.0
B	Good	3.0
C	Competent	2.0
D	Passing	1.0
I	Incomplete	*
W	Withdrew	*

The Arizona Board of Regents and the State Community College Board have agreed to three transfer general education programs. The purpose of the agreement is to ensure that when students complete their GE (general education) requirements at EAC they will be able to transfer to an Arizona public university without loss of credits. The three transfer general education programs are the Arizona General Education Curriculum, Associate of Arts (AGEC-A), the Arizona General Education Curriculum, Associate of Business (AGEC-B), and the Arizona General Education Curriculum, Associate of Science (AGEC-S). Eastern Arizona College has established general education programs satisfying each of the three AGECS.

If a student is enrolled in one of these programs at EAC that meets the requirements for the AGEC-A, B or S and has had a graduation check completed during their last semester of enrollment, the message "Arizona General Education Curriculum-A, B or S in Progress" will be stated at the bottom of the transcript. An "A, B or S" will appear under the

new "GE" column to note which classes have been used to satisfy the AGEC-A, B or S requirement.

As of Fall Semester 1974, the grading system was changed as indicated below:

C	Competent	2.0

A student may withdraw at any time during a semester.

Beginning Fall Semester 1984, courses numbered 100-level and above are considered to be Freshman/Sophomore undergraduate-level courses. Courses numbered below 100 are developmental-level courses.

GCCCD is authorized to confer Associate degrees. A minimum of 64 semester credit hours with a minimum grade point average of 2.0 is required for graduation.
